

15 January 2020

Dear Neighbour,

**RE: Notice of Temporary Weekend Road Closure and Detour on Robson Road**

We are writing to provide an update for temporary road works on Robson Road for the Fraser Grain Terminal Export facility at 11041 Elevator Road, adjacent to Fraser Surrey Docks.

Crews will be working outside of regular working hours on Robson Road to install a rail crossing **from 4:00 pm Friday 31 January to 5:00 am Monday 3 February 2020**.

**What to expect**

- Local traffic travelling to Elevator Road via Robson Road will be detoured to a temporary single lane rail crossing for the duration of this work.
- Access for passenger vehicles and emergency responders will be maintained.
- Weekend work has been scheduled to minimize disruption for local businesses.
- Activities include asphalt cutting, removal and replacement, and installation of railroad ties, ballast and crossing panel.
- Noise from this activity is anticipated to be consistent with daytime noise levels. To reduce noise, equipment will be turned off when not in use.
- Lighting required for this work will be directed towards the work site and away from the residential area.

Please see the map on the reverse of this letter for the location of work.

We are committed to keeping our neighbours informed about construction activities and responding in a timely manner to questions and concerns. We will provide additional updates of this work through email and website should the timelines change.
