

FRASER GRAIN TERMINAL

17 October 2019

Dear Neighbour,

**RE: UPDATE Temporary Road Works on Robson Road – Fraser Grain Terminal Export Facility**

Further to our letter dated 16 August 2019, we are writing to provide an update for timelines on temporary road works on Robson Road.

Temporary road works are extended for one month due to material delays and poor weather conditions on scheduled concrete pour days in September. Crews will continue working in and around a section of Robson Road, near the intersection of Elevator Road. Activities include installing concrete slabs for utility protection and associated road works. Please see the map on the reverse of this letter for location details.

**What to expect**

- Installation of concrete slabs in limited areas of Robson Road near Elevator Road.
- Temporary lane relocations will be in effect for a small section of Robson Road. Single lane traffic in both directions will be maintained and traffic control personnel will be in place to direct traffic as needed.
- This work will be completed during the port authority's approved hours of construction: 7:00 a.m. to 8:00 p.m. Monday to Saturday (excluding statutory holidays).
- Nearby businesses may experience increased personnel, equipment and traffic in the area as crews complete this work.
- Nearby businesses may notice a slight increase in noise and dust consistent with these types of construction activities.
- **Estimated completion date for temporary road works is mid-December 2019.**

We are committed to keeping our neighbours informed about construction activities and responding in a timely manner to questions and concerns.
